1993 / 1995

## CONTENTS

### NOS. 1/2 (March 1993)

1. **Radashevsky, V.I.:** Revision of the genus *Polydora* and related genera from the North West Pacific (Polychaeta: Spionidae). ..... 1
2. **Gulbin, V.V., Golikov, A.N. & Sirenko, B.I.:** List of prosobranch gastropod molluscs of the Moneron Island shelf (Sea of Japan) with reference to their distribution and biogeographical composition. .... 61
3. **Ohtsuka, S.:** Note on mature female of *Itoitantulus misophricola* Huys, Ohtsuka and Boxshall, 1992 (Crustacea: Tantulocarida). .... 73
4. **Yusa, Y.:** Copulatory load in a simultaneous hermaphrodite *Aplysia kuro-dai* Baba, 1937 (Mollusca: Opisthobranchia). .... 79
5. **Kubota, S.:** Resting stage and newly hatched hydroid of a cool water hydrozoan species *Climacodon ikarii* Uchida (Hydrozoa, Margelopsidae). ... 85
6. **Kubota, S.:** The medusa of *Thecocardium quadratum* (Werner) (Anthomedusae, Ptilocodiidae) from southern Japan. .... 89
7. **Kubota, S.:** A new host of *Eugymnanthea japonica* (Leptomedusae, Eirenidae) in Japan. .... 93
8. **Kubota, S.:** The second example of metamorphosis of medusa from the *intermedia* form to the southern form in *Eutima japonica* (Leptomedusae, Eirenidae). .... 95
9. **Yamato, S.:** A new amphiloichid species (Crustacea: Amphipoda: Amphiloichidae) from a spiny lobster. .... 99

### NO. 3 (November 1993)

10. **Ho, J.-S.:** New species of *Clavella* (Copepoda: Lernaeopodidae) parasitic on Japanese rattails (Pisces: Macrouridae). ....107
11. **Ichikawa, M.:** Saccoglossa (Opisthobranchia) from the Ryukyu Islands. ....119
12. **Hirayama, A. & Takeuchi, I.:** New species and new Japanese records of the Gammaridea (Crustacea: Amphipoda) from Matsukawa-ura inlet, Fukushima Prefecture, Japan. ....141
13. **Kubota, S.:** Multiple colonization of a bivalve-inhabiting hydroid *Eugymnanthea japonica* (Leptomedusae: Eirenidae) in Japan. ....179
14. **Grygier, M.J.:** Cryptoniscidae s.s. (Isopoda: Epicaridea): nomenclatural history and recommendations. ....185

## NO. 4 (November 1994)

15. **Huys, R., Ohtsuka, S. & Boxshall, G.A.:** A new tantulocaridan (Crustacea: Maxillopoda) parasitic on calanoid, harpacticoid and cyclopoid copepods. ....197
16. **McLaughlin, P.A. & Konishi, K.:** *Pagurus imafukui*, a new species of deep-water hermit crab (Crustacea: Anomura: Paguridae), with notes on its larvae. ....211
17. **Iwasaki, K.:** Distribution and bed structure of the two intertidal mussels, *Septifer virgatus* (Wiegmann) and *Hormomya mutabilis* (Gould). ....223
18. **Yusa, Y.:** Size-related egg production in a simultaneous hermaphrodite, the sea hare *Aplysia kurodai* Baba (Mollusca: Opisthobranchia). ....249
19. **Yusa, Y. & Yamamoto, T.:** Inside or outside the pits: variable mobility in conspecific sea urchin, *Acanthocidaris crassispina* (A. Agassiz). ....255
20. **Mori, S.:** Daily rhythmic activity of the sea-pen *Cavernularia obesa* Valenciennes. XIX. Further consideration on the mechanism of the circadian rhythmic activity. ....267
21. **Kubota, S.:** Reproductive season and some biological notes on a bivalve-inhabiting hydrozoan *Eugymnanthea japonica* (Thecata-Leptomedusae: Eirenidae) at Shirahama, Tanabe Bay, Japan, with comparison of related species. ....277
22. **Budnikova, L.L.:** First finding of the amphipod *Centromedon pumilus* (Lilljeborg, 1865) in the Sea of Japan and description of the species. ....283

## NOS. 5/6 (July 1995)

23. **Grygier, M.J. & Ohtsuka, S.:** New species of *Synagoga* (Crustacea: Ascothoracida) from plankton off Okinawa, Japan, with an SEM study of the carapace. ....293
24. **Mona, M.H. & Miyazaki, K.:** Preliminary observations on the foot in the homing limpets, *Siphonaria acmaeoides* (Pilsbry) and *Patelloida saccharina lanx* (Reeve) with light and scanning electron microscopy. ....313
25. **Miyazaki, K. & Stock, J.H.:** *Rhynchothorax mediterraneus*, the first record of Rhynchothoracidae (Pycnogonida) from Japan. ....325
26. **Mori, A.:** A new species of *Liropus* (Crustacea: Amphipoda: Caprellidea) from off Minabe, Kii Peninsula, central Japan. ....329
27. **Imafuku, M. & Ikeda, H.:** On the two types of the hermit crab *Pagurus lanuginosus* (Crustacea: Anomura: Paguridae). ....339
28. **Kubota, S. & Horita, T.:** Life cycle of *Bougainvillia bitentaculata* (Hydrozoa: Anthomedusae) in Japan. ....351
29. **Kubota, S.:** Cnidome and growth of a medusa of *Cirrholovenia tetranema* (Leptomedusae, Cirrholoveniidae) in Japan. ....365

30. **Yamato, S.:** A new species of the genus *Melita* (Crustacea: Amphipoda) from a high tide pool at Shirahama, on the west coast of the Kii Peninsula, Japan. ....379
31. **Harada, E. & Nishino, M.:** Differences in inhalant siphonal papillae among the Japanese species of *Corbicula* (Mollusca: Bivalvia). ....389
